

Our School Curriculum Vision

*Be the
Best You
Can Be.*

Blisworth School curriculum is ambitious and fully inclusive. All our pupils deserve the very best and as such we have a broad and balanced curriculum for children to discover their loves and talents, developing into well-rounded characters who can make significant contributions to society in the future. Our curriculum is underpinned by progressive learning in core subjects to allow all our pupils to achieve and 'be the best that they can be.'

Experience a broad, progressive and balanced curriculum where children can discover their loves and talents.

Secure and extend skills across all core subjects, understanding how skills link and applying these across the curriculum.

Knowledge of the world. To discover our world through scientific, historical and geographical learning.

Embrace the community in which our school is situated including the countryside and farming.

Understand how curriculum subjects and our values relate to future careers and experience a range of real-life role models to further their aspirations.

To understand, make and experience healthy lifestyle choices that become life-long.

Develop their character so that they make choices with an understanding of the world and embrace the school motto and values at school and beyond.

Integrity

To receive curriculum opportunities applicable to real life including trips and visitors to heighten their understanding. Particular emphasis on integrity within the world and local context.

Curiosity

To receive a curriculum that ignites children's natural curiosity. Learning where questions can be created and answered through discovery. To ignite the overall desire for continued learning.

Courage

To learn how to be brave and take calculated risks that lead to success. To not be afraid of failing or making mistakes and understand learning is life-long.

Perseverance

To experience a culture of perseverance to achieve success. To be awarded for continued hard work and effort in a fully inclusive curriculum and to praise others for the same.

Collaboration

To realise the power of teamwork through collaboration both in class, at play and during sport and competition. To develop the skill to lead, listen and praise others for overall success.

Community

To embrace all that makes a community thrive including kindness, consideration, selflessness and awareness. To contribute positively to our school and local community.
