*Be the
Best You
Can Be.*

To equip our pupils with the lifelong skills to become confident individuals who are happy and healthy. They will develop resilience when meeting challenges so that they can succeed within their own lives and learn how they can make a positive contribution in their wider community.

To give children a safe forum to share different ideas and opinions with opportunities for respectful debate.

To promote a culture which celebrates equality and diversity within the school community and wider world.

To learn about changes in the mind and body as they grow and understand how to make informed choices that lead to a happy and healthy life.

To develop personal responsibility, self-confidence and assertiveness to build self-esteem, and promote strategies that maintain personal wellbeing.

To support pupils to form healthy, appropriate relationships, giving them a sense of dignity and respect for themselves and others.

To understand and demonstrate British Values such as democracy, individual liberty and the rule of law so that they can become responsible citizens.

To prepare pupils to be the workforce of the future, by giving them the skills and confidence to be aspirational and achieve their full potential.

To equip pupils with the skills to make choices that keep themselves and others safe, including in the digital world.

Integrity

To make informed choices that are honest and true to themselves and the value system of their community.

Curiosity

To show an interest in understanding the different values and beliefs of communities both in the UK and globally.

Courage

To make moral choices that reflect their own values and be able to stand up for the rights of themselves and others.

Perseverance

To work towards long term goals by carrying out small steps to success and overcoming obstacles met along the way.

Collaboration

To work with others to discuss themes, recognising that turn-taking, listening and compromise can be beneficial to the success of a team.

Community

To make a positive contribution to their local and wider communities through engagement and action, knowing how they can make a difference.
