

## Art and Design

To engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design. To allow pupils to think critically and develop a deeper understanding of art and design. To know how art and design both reflects and shapes our history, and contributes to the culture, creativity and wealth of our nation.

*Be the  
Best You  
Can Be.*

Experience a broad range of artists, designers architects and craftspeople during their journey from Reception to Year 6.

To have an open-ended exploration of creativity experiencing a wide range of art skills, medias, textures and forms.

To apply their progressive skills in order to express themselves and produce unique creative artwork

To experience art and understand it as a visual and emotional competence with transferable skills into many areas of life.

### Integrity

To evaluate and analyse creative works using the language of art, craft and design respecting and showing integrity for the artist, designer or craftsman.

### Curiosity

To explore their ideas, experiences and imagination about colour, pattern, texture, line, shape, form and space showing a creative interest into how different artwork is made and created.

### Courage

To be willing, open-minded and prepared to take risks in order to work creatively with new art mediums. To not be afraid of the blank page and be willing to *have a go* and make the first mark.

### Perseverance

To become proficient in drawing, painting, sculpture and other art, craft and design techniques by practising and developing, reviewing and revisiting and recording their ideas in sketch books.

### Collaboration

To work together effectively to build and enhance all aspects of art. To be able to produce collaborative artwork drawing on strengths of team members.

### Community

To learn about issues in the wider world and life experiences through visual art. To share their creative artwork.
