

# Accessibility Statement

This accessibility statement applies to this website.

We want everyone who visits our website to have an enjoyable experience and be able to easily navigate and use our site. With this in mind, we are working towards requirements of WCAG2.1 level AA.

The following complies with accessibility requirements:

- **Responsive Design:** Our website is designed to work on various devices and screen sizes, including desktop computers, tablets, and smartphones.
- **Text Readability:** We use clear and legible fonts, sufficient colour contrast, and adjustable text size to enhance readability.
- **Alternative Text:** Most images and graphics include descriptive alternative text to assist users with visual impairments. We endeavour to ensure that, where needed, we include alternative text for any images. If any images do not have a text alternative, so people using a screen reader cannot access the information, we will rectify this if notified.

This website is partially compliant with the Web Content Accessibility Guidelines version 2.1 AA standard, due to the exemptions listed below:

- Primary and secondary schools or nurseries – except for the content people need in order to use their services, for example a form that lets you outline school meal preferences

Ability.net has advice on making your device easier to use if you have a disability and can be accessed by clicking this link [Simple 'how to' guides to make your device easier to use | My Computer My Way](#)

We aren't perfect yet, but rest assured we're working on it.
