

BLISWORTH COMMUNITY
PRIMARY SCHOOL

**Primary PE &
Sport Premium Evaluation**
for
2024-2025

Our Vision for the Primary PE and Sport Premium

At Blisworth Primary School we believe all children should have access to a high-quality Physical Education (PE) curriculum and PE should be an integral part of the whole school curriculum. Our School recognises the benefits high quality PE provision and school sport can give to all pupils. Our PE curriculum aims to develop the skills to excel in a wide range of physical activities, by providing a broad & balanced curriculum with opportunities for all. Our PE curriculum will contribute to healthy and active lifestyles; improve emotional well-being and develop key skills such as leadership, competition,

confidence, good sportsmanship and team building skills.

Sports Premium Intentions for 2024-2025

Areas of Strength for 2024-2025:

- We applied for the School Games Mark and achieved GOLD! This will support the profile across the school and will also be shared with the wider school community on various platforms
- 100% of pupils had at least two hours physical activity per week with at least one session with a specialist coach (not all sports premium funded)
- 100% of pupils have access to a wide range of physical activity options over lunch where their skills from the PE sessions can be seen in application. The vast majority of pupils access physical activity choices throughout lunchtimes.
- 100% of KS2 Pupils have represented the school in a competition
- PE has been observed by both the PE lead and the Sports Governor and found to be highly progressive and children frequently display skills more often found in the next year group
- PE and Sports Premium Spending has been scrutinised by the lead Governor and found to be highly inclusive of all pupils, with every pupil engaged and progressing.
- PE skills begin immediately in Reception at a high level and pupils in EYFS are leaving with a range of skills ready for competitive sports as well as understanding how to use and control their bodies.
- The regard held for our PE within the community is high and news is shared on our Facebook and website. Comments reflect a strong sense of community and encouragement from all to those who attend the competitions.
- PE sessions have led to a significant increase in pupil's confidence to participate where all can be seen doing so at their level and progressive.
- Notably reduction in those lacking confidence to engage in PE.
- The unique partnership we have with Rhino Sports Company on site has had a significant impact (at low and frequently) no cost. Pupils often have a second coach in sessions. Coaches are training to be teaching assistants in our classrooms in the morning, and this further strengthens them as academic role models. It encourages less confident children to attend before and after school sports clubs and the summer camps. We benefit from specialist sports knowledge from all the coaches and the manager who is highly skilled in sport. The team support us at events providing high quality coaching during competitions to further support our success at events.
- The maintained introduced fully competitive sports days were extremely well attended and supported and providing medals raised the value of intra school competition.
- Continuing to wear a school kit at events has strengthened children's sense of team, belonging and pride in our school.
- PE scheme and sessions have led to significantly improved sports performance, and we are proud of all our achievements in a significantly smaller school than many of the larger schools that traditionally win events.

Key areas of Developments: Action for 2024 - 2025	
Build capacity and capability within the school and ensure that improvements to the quality of PE, sport and physical activity provision made now are sustainable and will benefit pupils joining the school in future years; and Comment:	Develop or add to the PE, sport and physical activity that the school provides.
Competition: Fewer local opportunities for Key Stage One, desire to enhance sporting prowess at an advanced level for young pupils.	To further increase Key Stage One opportunities and younger pupils' abilities both within school beyond the PE curriculum beyond the festivals they have already attended
Competition has been extremely well attended by many pupils, especially Key Stage Two. We want to further reach those in a minority lacking confidence to attend and further increase the proportion of children competing. We want to sustain and increase the number of competitive opportunities attended by pupils.	To further increase the amount of competition within school and raise the confidence and participation of less confident pupils including Send and pp through allocated PE leadership/ team lead positions. To increase the number of pupils in vulnerable groups attending competitions. To sustain and increase the wider number of competitions attended.
To remain innovative in PE curriculum pedagogy and practice.	To evolve and enhance the PE curriculum content as part of the whole school curriculum review to innovate and enhance opportunities. Subject leader time to develop the philosophies of PE linked to whole school values for long-lasting development. Review specialist coach reviews of the scheme and further develop embedded content. Support to coach staff to be more effective and confident in their delivery of PE lessons taught by non-specialist teachers.
To reach the minority of pupils not choosing physically active activities at lunch regularly.	To engage the minority of pupils at lunch who chose not to join physical activity for a larger than average proportion of time and create tracking for subject leader analysis so that targeted provision can be established
To develop children's confidence during PE to apply across the school values and have wider impact on their education success at school.	To develop and embed more sports leaders to enhance active lunchtime and develop their sports leader skills.

Children participate in a new and different sport as part of the curriculum. We want them to have the opportunity to try something new with specialist dance sessions.	To identify a year group to benefit from specialist teacher to broaden their interest in this area of PE – sport to be considered in summer term following sports crew voice.
--	---

Targets Meeting national curriculum requirements for swimming and water safety

Meeting national curriculum requirements for swimming and water safety: Review of 2025	Percentage Targets:	Blisworth Primary Percentage 2025
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of 2025?	100%	95%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	100%	75%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	100%	30%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Will you use it in this way?	1 pupil was identified and offered top up swimming lessons but declined to take up the funded offer.	

5 key indicators

2024/2025 Total funding allocated	PE and Sport Premium funding £17,400 – Estimated for 2024 to 2025 Total allocation for 2024-2025 Total Spend for 2024: Reviewed in July 2025 Total underspend - Reviewed in July 2025			
Key indicator 1: The engagement of all pupils in regular physical activity	Planned Expenditure: % of total allocation:	53%	Actual Expenditure: % of total allocation:	31%
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement	Planned Expenditure: % of total allocation:	3%	Actual Expenditure: % of total allocation:	15%
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport	Planned Expenditure: % of total allocation:	2%	Actual Expenditure: % of total allocation:	18%
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils	Planned Expenditure: % of total allocation:	11%	Actual Expenditure: % of total allocation:	5%
Key indicator 5: Increased participation in competitive sport	Planned Expenditure: % of total allocation:	31%	Actual Expenditure: % of total allocation:	31%
Total % of Planned allocated spend 97%				
Total % of allocated spend in 2024 - 2025: 17400				

**** NB – this does not document all sports and PE within school – this highlights the spending of the grant.**

Evaluation of Impact for all Key Indicators along with actual expenditure will be reviewed in July 2025

Key indicator 1: The engagement of all pupils in regular physical activity					Total Actual Spend: 5414
School focus and intended impact What do you want your pupils to learn and know?	Actions to achieve outcomes What do you need to do?	Funding allocated	Evidence of impact What can you use to evidence the impact?	Sustainability / Next steps How will this be maintained in future years?	Evaluation of impact How have pupils benefitted? How many have been involved? What have you accessed?
<p>Focus: To encourage all pupils to continue to be physically active throughout free time – lunchtimes</p> <p>Impact: Pupils including those who choose fewer physical activities, are frequently physically active over lunchtimes. A focus group to be set up for those who continue to benefit from a Change 4 Life programme</p>	<ul style="list-style-type: none"> • Sports lead to work with lunch lead to observe and track, including those who are less engaged in physical activity • Bespoke plans and encouragement for those less involved • Running club is established • Range of activities available • Links to the sports leaders • Key stage one pupils supported to play games such as football, basketball, tennis 	£3,648	<ul style="list-style-type: none"> • Curriculum committee and pupil feedback • Observations and tracking information from sports and lunch sports lead, 	<ul style="list-style-type: none"> • Embedded physical activity choices over time in pupils 	<p>100% of pupils have accessed lunchtime extra-curricular clubs. We have employed one of our teaching assistants, Mr Elliott, to create and engage all children in Sports activities, games, matches and tasks throughout the playtime. This includes facilitating things such as; tennis, archery, cross country (with a mile/marathon reward system), basketball, football and multisports such as skipping and lacrosse type activities. These are offered from 12pm-1pm with all children in the school invited to access and encouraged to</p>

					join in. Children are awarded with school values stickers (which closely link to the School Games Values) in assembly. We also have exercise equipment in school with some challenges being set informally. Running Club – We use the playing field for a daily running club where the children are awarded a certificate to measure the distance of every 5K and daily mile stickers for all children who attend. All children are invited to participate in this.
<p>Focus: Children learning to ride a bike safely and encourage wider use.</p> <p>Impact: All Year 5 pupils will be able to ride a bike safely</p>	<p>Arrange for the Bike ability programme to take place.</p> <p>Deliver the programme to Year 5 pupils</p>	£260 TA support	<ul style="list-style-type: none"> • Programme delivered • Data for pupils who take part 	Pupils will continue to ride around the community. This will continue to be offered to our next Year 5 class.	Whilst we did not place funding towards this from SSP this year, we did still deliver it to 100% of Year 5 pupils in addition to Reception and some older pupils which funding will be allocated to next year. We will also place some emphasis on riding and being active to school.
<p>Focus: Establish a participation to local events and competitions with Northamptonshire Sport to maximise the</p>	<p>Sustain contact Northamptonshire Sport</p> <p>Take part in as many opportunities as possible</p>	Northamptonshire Sport partnership – see Key Indicator 5 for costs	<ul style="list-style-type: none"> • Data for children competing in events – target is that over 90% of KS2 pupils will represent the school in future events 	Pupils interest in competitive sport and the uptake of sports out of school will be encouraged to aim to raise uptake even further.	100% of KS2 pupils represented the school in events this year. We did fund additional travel expenses and will consider sustainability

<p>engagement in competitive sport across the school</p> <p>Impact: Children will be offered a variety of sports at the same time as developing their understanding and appreciation of the competitive element of sport. By entering competitions wider than local schools, children will be offered a higher level of competition</p>	<p>To continue to end units with a competition within the class.</p>	<p>Travel costs to sports events £470</p> <p>Staffing costs of sports coach to attend event. £880 (55 hours @ £16)</p> <p>Cost of rounders additional staffing. £32 (2 hours)</p> <p>Sports coaching to maximise opportunities for children to participate - £4000 contribution to role employed</p>	<ul style="list-style-type: none"> • Pictures of children competing in events • Results of inter and intra school competitions • Individual success stories 	<p>An increase in the amount of pupils participating, especially in KS1.</p> <p>Pupils who had less interest now participating – individual achievements recognised.</p>	<p>actions for next year to support this – likely inviting more schools to us to reduce the travel.</p> <p>We used sports coaches to deliver successful sports days, and intra-school competitions.</p> <p>100% of KS2 children took part in the Rounders Cup competition.</p>

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement					Total Actual Spend: £2552.38
School focus and intended impact What do you want your pupils to learn and know?	Actions to achieve outcomes What do you need to do?	Funding allocated	Evidence and impact What can you use to evidence the impact?	Sustainability / Next steps How will this be maintained in future years?	Evaluation of impact How have pupils benefitted? How many have been involved? What have you accessed?
<p>Focus:</p> <ul style="list-style-type: none"> • To develop a formalised sports 	<ul style="list-style-type: none"> • Sports crew to take a lead role in engaging 	<p>Northamptonshire Sport partnership who will lead</p>	<ul style="list-style-type: none"> • Pupil voice • Observations of sports crew 	<p>Children lead lunch time clubs and plan and carry out sports day – aim to</p>	<p>We met with the children to gain an insight to their</p>

<p>crew council that can lead sports projects within the school, particularly with younger pupils across the school</p> <p>Impact:</p> <ul style="list-style-type: none"> • To raise the profile of PE in the school and increase participation in regular physical activity • Increase the confidence of children in PE • Allow and establish the development of leadership skills in pupils • To use pupil voice to inform school improvement and development across the school 	<p>pupils who lack confidence in PE.</p> <ul style="list-style-type: none"> • Lunchtime clubs to be supported by Sports Crew • Sports Day to be lead by Y5/6 pupils to reflect their leadership skills • Increased leadership evident in PE lessons 	<p>the event – see Key Indicator 5 for costs</p> <p>Implementation costs of Lunchtime Sports Lead - see Key indicator 3 for costs</p> <p>£523 for leadership training, kit and</p>	<ul style="list-style-type: none"> • Increased participation in lunch time activities especially by younger pupils • Plan events and activities around school • Newsletters / Social media posts to raise profile across the community • Staff observations of application of values and lessons learned in wider school life by sports leaders. 	<p>increase leaders from 25% by setting up tasks and activities</p> <p>Children are seen as leaders which encourages other children to join and participate</p> <p>Training offered to 100% Y5 so can be continued in Y6 where aim for more than 35% to lead across the year</p>	<p>view of PE and Sport and have considered the impact of this to inform the future of our curriculum. We have done this frequently throughout the year verbally and also carried out a written questionnaire with some of our children.</p> <ul style="list-style-type: none"> • Our pupils asked for more Sport Specific lunchtime sessions to support their extra-curricular activities rather than just multi-sports which we have actively encouraged and set up this year. • Some also asked for archery which we purchased the kit for to set up at lunchtimes soon. <p>However, we need to focus on formalising this into a dedicated PE discussions across the terms and hold a record of this.</p> <p>We applied for the School Games Mark and achieved GOLD! This</p>
---	--	--	--	--	--

					will support the profile across the school and will also be shared with the wider school community on various platforms.
See also key indicator 3 where there is a focus on developing the PE curriculum to embed school values and thread concepts to further enhance pupils all round knowledge, skill and application of these through PE success. Cost in KI3.					

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport					Total Actual Spend - £3127.38
School focus and intended impact What do you want your pupils to learn and know?	Actions to achieve outcomes What do you need to do?	Funding allocated	Evidence and impact What can you use to evidence the impact?	Sustainability / Next steps How will this be maintained in future years?	Evaluation of impact How have pupils benefitted? How many have been involved? What have you accessed?
Focus: <ul style="list-style-type: none"> To innovate the PE curriculum further including well-embedded links to school values further increasing staff's ability to embed core values through the strengths of PE. To ensure consistently high quality PE lessons are being taught against progressive, innovative aims and 	<ul style="list-style-type: none"> Full scheme indoor and outdoor PE sessions is understood by staff including the messages that should be provided against the values. Subject lead and specialist coach tracked whole school threads through curriculum for wider school impact 	Cost of release for DW x5 days for review of sessions and planning. £267 Cost of release of specialist coach to support review x1 day £76.32	<ul style="list-style-type: none"> All new staff including ECTs understand how to teach a full sequence of lessons and individual lesson design. Lessons and sequences are fully progressive across all year groups and new staff understand the scheme – demonstrated in lesson observation feedback on learning walks. Innovation is present 	Improved staff knowledge and understanding of PE progression and the curriculum to support PE curriculum that is effective to follow and allows for non-specialists to achieve high outcomes.	The use of the PE scheme, The PE Hub is fully embedded across the school and there has been significant work added to the curriculum to personalise it to Blisworth. 100% of teachers and pupils have benefited from the scheme and we have seen an improvement in the deliver of PE and active minutes within lessons because of it.

<p>objectives in all classes</p> <p>Impact:</p> <ul style="list-style-type: none"> • Pupils make strong progress in PE with an increased amount at the higher standard • All staff, including new Staff are well-supported with lesson design and planning to support gaps in specialist knowledge • New staff to school understand how to implement PE in line with our policy and scheme 	<ul style="list-style-type: none"> • Scheme content refined for non-specialist staff to be able to provide precise teaching of pupils • Staff working alongside coaches in lessons 		<ul style="list-style-type: none"> • Lesson plans show adaptations and response to pupil outcomes including accurate assessment • Pupils talk about the threads linked to values across PE and apply to other contexts. 		<p>The lessons are clearly progressive and the skills and application of these within competitions.</p> <p>We would now like to focus on the competition elements within lessons, focusing on intra-competitions at the end of each key unit to allow application and demonstration of taught and learnt skills. This will also link to our school values which are closely aligned with the school games values (NSport)</p>
---	--	--	---	--	---

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils					Total Actual Spend - £896
School focus and intended impact What do you want your pupils to learn and know?	Actions to achieve outcomes What do you need to do?	Funding allocated	Evidence and impact What can you use to evidence the impact?	Sustainability / Next steps How will this be maintained in future years?	Evaluation of impact How have pupils benefited? How many have been involved? What have you accessed?
<p>Focus:</p> <ul style="list-style-type: none"> Lesson and club equipment to support new PE scheme implementation <p>Impact:</p> <ul style="list-style-type: none"> Lessons will be well resourced and pupils will have the opportunity to try new sports and activities. 	<ul style="list-style-type: none"> Complete a PE audit by identifying equipment needed for clubs and lessons Research prices Purchase equipment Ensure equipment is well maintained and stored appropriately Focus on gym equipment 	Gym equipment £300 Cost of playground pitch marking explored. Tbc - £9580 – contribution towards improving pitches - £1,505	<ul style="list-style-type: none"> Pupils have access to the correct equipment to be taught a range of sports with particular regard to gymnastics. 	<ul style="list-style-type: none"> Equipment to be well maintained and used over time Equipment to be used during camps attended over the holidays by pur pupils to further increase physical activity. 	<p>100% of pupils accessed new multi-sports equipment at playtimes including skipping ropes , bats, balls, hoops, lacrosse kits and new archery kit.</p> <p>We purchased new gymnastics equipment which has benefited pupils primarily in gymnastics clubs – our next target is to fully implement and use it within lessons.</p>
<p>Focus:</p> <ul style="list-style-type: none"> To pilot specialist dance sessions and to increase the interest of a specific year group in wider PE dance opportunities. <p>Impact:</p> <p>Year group can model to other classes the benefits and enjoyment found in specialist dance to promote others to take it up.</p>	<ul style="list-style-type: none"> Identify a year group to benefit from specialist dance sessions to broaden their interest in this area of PE. 	Dance teacher x10 sessions cost £123.00 (£12.30 per hour)	<ul style="list-style-type: none"> Pupils engagement in wider dance style opportunity is high Performance to parents to show the year groups' skill 	<ul style="list-style-type: none"> Teacher to observe specialist dance sessions so that this can be replicated in the future by her. Success would also mean we may allocate out of budgets for further sessions in the future to continually widen what we can offer. 	We found that this was not a sustainable model and whilst many children enjoyed and took dance up following some of the sessions, the consistency of employing an individual for these sessions was variable.

Key indicator 5: Increased participation in competitive sport					Total Actual Spend - £5440
School focus and intended impact What do you want your pupils to learn and know?	Actions to achieve outcomes What do you need to do?	Funding allocated	Evidence and impact What can you use to evidence the impact?	Sustainability / Next steps How will this be maintained in future years?	Evaluation of impact How have pupils benefitted? How many have been involved? What have you accessed?
<p>Focus:</p> <ul style="list-style-type: none"> To run regular intra and inter school competitions including KS1 <p>Impact:</p> <ul style="list-style-type: none"> An increased amount of pupils to participate in competitive sport including a competitive sports day 	<ul style="list-style-type: none"> Continue communication with Northamptonshire Sport and EWS Set up two intra-school tournaments key stage two, and two key stage one Work with sports providers to build on local offer to enter more competitions Deliver the competitions, tracking pupils participating and using data trends to ensure broad offer and individual pupils considered. Run competitive sports days with medals. Continue to promote this culture amongst parents 	<p>Partnership with NSport/Rhino competitions £800</p> <p>Medals – £324</p> <p>Cost of bus to travel - Steve and bus included in KII (overlap) And Coach £700 (55 hours)</p> <p>Entry Fees for additional competitions £255</p>	<ul style="list-style-type: none"> Competition results Certificates for children Communication with Northamptonshire Sport and EWS Pupil feedback on intra-competitions Parent feedback including social media. 	<ul style="list-style-type: none"> Continue to run intra and inter school competitions both remotely and off site when permitted. Becoming an embedded part of school culture and attracts new pupils so will sustain as part of the identity now due to investment. Income generated from Sports Company partnership allows greater opportunities to spend money and time on sport. 	<p>100% of all pupils have taken part in a competition this year.</p> <p>KS1 pupils have had a KS1 sports day, multi-skills festival X2 and went to a festival outside of school too. We also took 24 KS1 pupils to Rhino Olympics and came 2nd. We would like to embed this further into the curriculum.</p> <p>100% of KS2 pupils have represented the school in inter-competitions and intra-competitions including rounders, multi-skills, tag rugby and football. We hope to further develop this into the curriculum next year.</p>

<p>To teach EYFS/ Year One pupils in small groups to accelerate their readiness for the wider range of competitions from year 3.</p> <p>To increase opportunities for Key Stage One pupils at lunch and via inter-school competitions to allow more b teams to enter the year 3 and 4 competitions to increase proportions of pupils attending what is offered.</p>	<ul style="list-style-type: none"> • Small group EYFS/ Year One rota of PE in place for Fridays • More Maths based/ PE sessions in Year One • Links to key stage one inter-competitions above and lunch targeting • Feedback to local offer we would like more competitions for the younger pupils if possible, 	<p>Cost of Competition Coach once a week £3,325</p> <p>(Linked cost noted to lunch)</p>	<ul style="list-style-type: none"> • Effective lesson assessments shows that pupils are achieving at least age-related PE objectives with a strong proportion showing depth of skill in these areas • Maths lessons on day to day monitoring show effective links with PE and Maths esp for those needing additional Maths support • Effective key stage one inter-comps feedback from sports lead • Evidence of communication to request more for younger pupils. 		<p>We have found that small group teaching was not sustainable nor effective so will terminate this target and focus on a new one next year.</p>
